MPB Parish is blessed to have a Catholic School. It is a school with a long history of providing a high quality education and firm foundation of the Catholic faith to its students. MPB is an accredited school with state certified teachers. It offers classes from 3 year old preschool through 4th grade, with an extended daycare and after school program. Our program emphasizes faith, academics, and service. Your children will have the advantage of participating in an engaging and enriching classroom experience that comes with the advantage of small classroom size.

Most Precious Blood students have year after year demonstrated exceptional performance on standardized testing and our graduates have gone on to do well at the middle school and high school levels often recognized as leaders in their classes.

We invite you to prayerfully consider enrolling your child at MPB Catholic School. Faith is integrated into daily curriculum as well as through weekly school Masses, Lent and Advent activities, and daily prayer. Families grow in faith as well as their children.

MPB School does its best to help provide every child with a Catholic education. Ways to help families with tuition costs include: tuition reduction through the use of the Scrip gift card purchase program, Kremer Grant assistance, and Parish Tuition Assistance. All grant and parish assistance is kept confidential.

We would love the opportunity to meet with you, give you a tour, and discuss what is offered in our faith based school. You can visit our website at www.mpbschool.com

May God bless and guide you as you consider the educational and spiritual growth of your children.
