In discussing agenda items, there is nothing pressing to address. If we need to convene on an emergency issue, I will reach out. If we need a vote on an issue, I can always ask for an email vote.

The school choice audit is scheduled for the end of the month. Mrs. Gorman and Mrs. Dyer are working to get all the needed items ready. An extra prayer to the patron Saint of math, accounting or book keeping would be helpful.

Please reach out with any questions.
